Required Power (HP)	30-50
Total Weight (kg)	165

The Implement with the Brand Atespar is Rotary Mower and it chops every type of grass herbs or different pasture plants with a high speed. Because the discs are very close to the ground it hightens the productivity. It chops the herbs in such a way that it dries easily and is collected easily. It gets the move from the P.T.O. shaft and makes the chopping by the help of knives turning on the mower.
